STIPULATION TO ORDER BY HEALTH MAINTENANCE ORGANIZATION

The Good Health Plan of Washington ("company"), a Washington corporation, hereby stipulates to the payment of fines in the total amount of \$49,500. These fines are based on the violations of laws and rules noted in the findings in the Report of Examination adopted by the Commissioner's Order dated January 14, 1998, in matter G98-7. That Report is incorporated by reference to this stipulation and order. The Company acknowledges and stipulates that all those findings are correct.

The company has engaged in practices that are not in accord with the insurance code of Washington. Accordingly, the company enters this Stipulation to the following Order voluntarily and with the understanding that such fine is in lieu of any suspension or revocation of the company's registration for such conduct. The facts described in the Report cited above, and the fact of this stipulation, may be considered by the Commissioner in any future administrative or judicial actions regarding company.
